

SEMI-CUSTOM DESIGN PRICE LIST

If custom design isn't a good fit for you, but you are still looking for quality printed paper goods, then our semi-custom suite is a perfect plan! Semi-custom designs will give you a starting point to visualize your specific design, simplify & expedite the process while providing cost savings & peace of mind.

Semi-custom designs still give personal touches & beautiful details without the investment of fully custom design. Although the design is established, each suite includes customizable text colors, envelope colors, belly bands, pocket folders, monograms & other accessories along with matching day-of items. We share a few design options at junies-decor/semi-custom or contact us to assist with semi-custom design options. Just ask... *AND the best part? It may save you \$\$\$!*
